

## AUTHOR GUIDELINES

**HUMANITAS: Indonesian Psychological Journal** accepts articles written by the author(s) worldwide.

**Please read the guidelines carefully. The only manuscript that follows the guidelines will be processed for review.**

1. Humanitas only accept original article (research-based article)
2. The submission represents that the manuscript has not been published previously and is not currently under consideration for publication elsewhere.
3. Manuscripts should be written in English.
4. Manuscripts should be submitted as a Microsoft Word, single-spaced in 12 points, Times New Roman font, with at least 3cm margins on all sides and the right-hand margin justified.
5. The length of a manuscript is between 4000 to 5000 words (not including Tables, Figures, and References), approximately 15 to 20 pages.
6. Manuscripts must be free of plagiarism. Only manuscripts that have less than 25% in common will be processed.
7. Use of tools such as Mendeley or EndNote for reference management and formatting and choose APA Style
8. The paper must conform to the standard HUMANITAS paper.
9. You need to log in to submit your article, which requires you to be registered.
10. An abstract is required for paper submission.
11. You can upload a revised version if requested by Editor
12. Don't hesitate to get in touch with [humanitas@psy.uad.ac.id](mailto:humanitas@psy.uad.ac.id) if you get any problems.

Submit your manuscripts through our online system. If you have any problems with your paper's submission process, please contact us at email: [humanitas@psy.uad.ac.id](mailto:humanitas@psy.uad.ac.id).

## **Submission**

Please submit your manuscript through

<http://journal1.uad.ac.id/index.php/Humanitas/about/submissions>.

You need to register before submission.

## **Manuscript style**

A manuscript consists of:

1. Title page, including:
  - a. Title: Title should be 14 words maximum, with capital font only in the first font of the first word.
  - b. Author(s)' name: Fullname without any degree of the first author, followed by the second author, third author, and so on. Please make sure that all authors agree with the authorship order before submission.
  - c. Institution: The name of the author(s)' institution, followed by the country.
  - d. Email address: Email address of corresponding author
  - e. Abstract: One paragraph with a maximum of 200 words, including problem, the purpose of the study, method, results, and implication of the results.
  - f. Keywords: write three to five keywords relevant to the manuscript.
2. Main manuscript, including:
  - a. Introduction: Please describe the study's importance, what has been known about the study's theme, what is the gap of knowledge, what does the study adds to the current knowledge, and state the objective of the study.
  - b. Method: Please describe the research setting, study design, procedure, ethics, and data analysis.
  - c. Results: Please describe the results systematically. Use appropriate Tables and Figures to present the results.

- d. Discussion: Please describe the study's major finding, then compare it with other previous studies, followed by the implications of the results theoretically and practically. Discuss the study limitations and further recommendations.
  - e. Conclusion: Please describe the discussion's essence and not repeat the results section in the conclusion section.
  - f. References: Please follow APA format and use reference tools such as Mendeley or EndNote.
3. Appendix: Tables or figures that are not too significant may be put in the appendix
  4. Table: Maximum five Tables. Please follow APA format.
  5. Figure: Maximum five Figures. Please follow APA format.

### **Revised version**

You may be asked to revise your manuscript and resubmit it during the review process. Please use the same submission for one manuscript. Do not create more than one submission for one manuscript.

Don't hesitate to get in touch with [humanitas@psy.uad.ac.id](mailto:humanitas@psy.uad.ac.id) if you get any problems.
