

JRKPF

Jurnal Riset dan Kajian Pendidikan Fisika (JRKPF) is a research journal in the field of physics and physics education. JRKPF is committed to presenting research journals with good editing quality and the latest research topics. JRKPF is a forum for researchers, teachers, lecturers, and students to publish their research work. JRKPF was first published in 2014 and periodically twice a year in April and October.

Jurnal Riset dan Kajian Pendidikan Fisika

Vol. 10 No. 1, April 2023

Analysis of TPACK (Technological Pedagogical and Content Knowledge) variables for middle school teachers through surveys in the Pasar Jambi district

Tri Windianingsih, Nova Susanti, Alrizal

Comparison of students' physics motivation by gender using the Physics Motivation Questionnaire (PMQ): Rasch model analysis

Anisa Widyastuti, Elvine Heranita, Moh. Irma Sukarelawan

Spreadsheet to analyze the comparative of elasticities properties of aluminum alloy materials

Sudirman, Vegisari, Heru Kuswanto, Eko Rudiansyah

Morphological structure and functional group of Toraja robusta and arabica spent coffee grounds for electronic device applications

Dwi Prasetyawati Thana, Ishak Pawarangan, Wilson Jefriyanto, Martina Pineng, Eko Suropto Pasinggi, Rali Sarira Bone, Yosep Mari', Conny

Synthesis and fabrication of superstrate and substrate $\text{Cu}_2\text{ZnSnS}_4/\text{CdS}$ thin film solar cells utilizing copper powder as local materials

Eka Cahya Prima, Anggi Datiatur Rahmat, Andhy Setiawan
